

NEWMIE CAMPS

Featuring 87'/91' World Series Champion - AL NEWMAN

Mini Camps (Small Group Lessons) 2010

Minnesota Baseball Academy's (MBA) mini-camps, limited to 16 players, provides an environment where players receive more attention from our coaches. By utilizing our ft. fully-turfed baseball facility, our 4:1 student to coach ratio allows for more personalized attention and is geared toward improving players for the upcoming season or tryouts.

Players sign up for single or multiple courses attending once a week at the same time for a month. At the camp's end, players have the option to reenroll and continue their education learning more advanced skills each month. In our hitting camps this year, we'll dedicate time to defensive work including footwork, defensive work and positioning.

Starting in January at Minnesota Baseball Academy's additional location in the Burnsville Field house, the Minnesota Twin's Al Newman will be the lead instructor in all of our group lessons (mini camps) and camps in December and March.

The "Newmie Camps" are going to bring the quality of baseball instruction that MBA is committed to by offering players the ability to work with Al Newman and our staff on all the tools in baseball.

MBA's instructors, who include current and former professional players, work with each individual's skill set by teaching the fundamentals, using drills, and assigning homework.

Over the course of four weeks, Al Newman and Co. will provide students with the tools to become better ball players. In addition, while we believe the physical skills are important in baseball, the mental side deserves the same attention. That's why we've incorporated time within our camps devoted to approach and mental preparation. We want complete baseball players!

Note: There must be a minimum of four participants in each session.

There is a discounted rate of \$200/player if you sign up as a group of four. When you sign up online, indicate in the notes the other three players who are signing up with you. Note that the other three members of your group have to sign up as well so we have them on file.
