

Kennedy Booster Club Meeting
Notes 4/13/09

1. Recap Spring Trip
 - Comments from parents and players were positive and they thought this benefited the players and was a great opportunity.
 - Coach Hanson agreed it was rewarding and fun. They were able to scrimmage and practice in good weather and yet involve the players in other activities.
 - It was decided to do it again next year. However, the cost would have to be increased, but knowing there is interest now more fund raising can be done.
2. Youth Day (April 23) – We are on schedule. Flyers have been delivered to the middle schools and posted on websites. We will hand out prizes and serve hot dogs, chips and pop to the youth.
3. Parent Night – May 4th. There will be some kind of recognition while announcing. Coach Hanson may have the players write up a thank you.
4. Senior Night – May 13th. Cheri Hoese is heading this event.
 - Coach Hanson will distribute the players a bio to complete and that will be read before the game when seniors are announced.
 - We will also serve coffee and cookies.
5. Banquet – May 20th. (Green Mill) The senior parents are working on.
 - We have the invitation from last year and we will update and mail to the players.
 - Coach Hanson will review the banquet program. We will send it to Kennedy's print shop for printing.
 - We will need to get seniors a gift.
6. Fundraisers
 - Auction – Ron and Jerry gave an update. It was a successful event and it was decided to join efforts next year. May even expand it to the whole Kennedy program. Ideas were also shared on how to make it even bigger and more successful next year.
