

# Kennedy Baseball Booster Club

## October 11, 2009

### Agenda

#### Coach Hanson's Report

##### Uniforms

- \$27 Blue Jersey with Kennedy JFK Logo
- \$30 White Jersey with Dyed-In color logo
- \$39.95 Pants with Whites
- I suggested white pants with both jerseys. Would save money not having to buy 2 pair. White is hard to keep clean, however.
- Order long sleeves for boys plus short sleeves.
- Could keep jerseys (option) being at the cost above. Could purchase new every year.

##### AZ Trip

- Had to do 2 other things:
  - Aaron, Bobby, Eric & Tyler signed a student account
  - Superintendent needs to sign off also. Shouldn't be a problem because she approved before rule was passed stating no travel.
  - Should hear something within 2 weeks. Looks promising.

##### Alumni Outreach

- Matt started a list with names, addresses, etc. for fundraisers to use in the future.
- Looking for a volunteer to gather information & keep up to date, mailing, etc. Should be someone that has younger kids in baseball.
- Terri said she would contact Bassamore's to see if she has any info left.
- Wants to go back as far as possible.

#### Updates:

##### Haddox

- Out to bid Wednesday or Thursday.
- Projected end date: April 2 or April 9
- Do away games first or play @ Kelly Fields first games.
- Expected date to be able to use Haddox – Last week in April.

## Spirit Wear

- Captains meet with Pam Sunder & figured out Spiritwear designs, etc.
- Pam meet with Mark Hultgren – Mark pulling together sketches & will meet with Captains when done to show & make any changes, if necessary.
- Matt would like Order Form & Spiritwear done before Christmas so team can order their spiritwear to wear now & others can order items for Christmas gifts.
- I contacted Mark Hultgren (10-14) & told him we would like samples for the baseball boys to try on before ordering. Boys can come to Matt's office to try on for sizes. Also told Mark...Matt would like everything done before Christmas.
- Parents also expressed they want to see samples before ordering. Don't like to order items when you don't see them first. I told Mark this also. I suggested, to Mark, we could have samples at the Booster meeting & let parents know ahead of time we will have samples available if they would like to order for themselves or Christmas.
