

OVERVIEW

Welcome to the 2005-06 edition of the Kennedy Baseball Diamond Club, the official fund raising and support group for the Kennedy Baseball programs. The Diamond Club was formed in the Spring of 2005 and in its premier season has generated funds to help pay for uniform and equipment needs, rental and promotional costs for youth clinics, assistant coaches salaries, coaches clinics, and supporting the end of season banquet.

The 2005-06 Kennedy Baseball Diamond Club needs your help as it is dedicating itself to establishing "The Diamond Fund" for the growth and development of the Kennedy Baseball Program--from the youth levels and up through the high school level. A vision has been fashioned for making the entire baseball program better for the future and with your help we can make it happen. Developing and providing information, instruction, and clinics for players and coaches at all levels will promote the growth of the Kennedy Baseball Program. Acquiring equipment and enhancing facilities will provide necessary tools for participants in the baseball program.

Some financial support from the Bloomington School District Athletic Department is received, but those funds are limited in their scope and in the purpose of utilization. With your assistance, we can do more and make our vision become a reality. We want to promote a Kennedy Baseball community of which everyone can be proud - a community to be enjoyed for years to come.

THE DIAMOND FUND PROJECT LIST

Funding HS Team Spring Break Travel
and Spring Training

Pitching Clinics for Coaches & Players
at all levels - youth through high school

Baseball Program**

Membership Information

What is The Diamond Club?
The official support group for the Kennedy Baseball Program.

What is the Purpose of the Diamond Club

Organization?
1. To provide an opportunity for people to get involved in the Kennedy Baseball Program.

2. To support the goals of the program while serving as the official fund raising arm.

3. To promote a greater interest and stronger fan base and support for Kennedy Baseball.

Who should join?

Anyone interested in Kennedy Baseball is encouraged to join. Current members include parents, alumni, friends and fans of Kennedy Baseball.

How can you help?

Finding a "first class" baseball program can be very costly and it cannot be done solely with school district funding. The costs of operating our program continue to rise each year. To build for a brighter future, build a tradition of excellence and develop successful student-athletes your support is much needed.

Kennedy High School Success
